Notes

Conference Proposals

- A conference survey showed a need for tech sessions. (Survey responses are in the shared drive.)
- We brainstormed ideas for conference proposals and added them to a Google Doc (located in the drive).
- Add ideas by Nov. 30. Collaboration with other sections is especially welcome.
- Brown bag lunch program with tech tools.

By-laws

- The section agreed to keep by-laws as is.

Website

- We now have passwords for the site so we will start uploading content.

Action Items

- Doug will reach out to the conference committee to see if there is any need for collaboration on tech needs.
- Cathy will find the contact person for the League of Municipalities.
- Cathy will update the section page on the NJLA site.
