**2. Spring Workshop "Cataloging DVDs with RDA"**

This next workshop in our series on RDA cataloging -- "DVD Cataloging with RDA" -- will be held at the Monroe Township Public Library on Friday, May 16, 2014 from 10:00 a.m. to 1:00 p.m. Coffee and refreshments are available at 9:30 a.m. Cathy Weng and Yuji Tosaka of the College of New Jersey will co-present.

The registration deadline is Monday, May 5. Adele will call Twin Oaks Caterers of East Brunswick when she gets a final registration count. Breakfast is \$4.25 per person. The Monroe Township Library will be open at 9am. This email was sent to remind registrants that there will be a "surprise" processing products swap:

*Are you ready for some Spring Cleaning? If you find that you have accumulated a collection of labels or other supplies that you no longer use for processing at your library, bring them to the TS Section Spring Cataloging Workshop, "DVD Cataloging with RDA" and take part in our "Sticker and Tech Services Supplies Swap Meet"!*

*There are two rules:*

- 1. What is not taken by someone else must go home with the person who brought it.*
- 2. Bring your own box or bag to carry away the "treasures" you find.*

**3. 2014 Conference Programs, Atlantic City**

Adele will contact speakers regarding handouts and will also bring a projector. She will introduce our speaker for the RDA program. Beata will prepare evaluations for both the May 16 workshop and our 2 NJLA programs.

  - b. We discussed the possibility of using software such as Adobe Connect or GotoMeeting.com to share meetings or presentations. Adele will contact Cynthia Lambert, of the Emerging Technologies Section, to see what technologies might enhance our Section's ability to share presentations/workshops/meetings.
6. **Open discussion of various ILS systems and other cataloging issues.**
7. **Next meetings** to be held on Friday, June 20 and Friday, September 26 at Somerset County Library, Bridgewater. The meeting was adjourned at 12:00.
